WHAT YOUR "GROM" WILL LEARN AT HO DADDY O'S SURF CAMP

Ho Daddy O's Surf camps are week long summer camps designed for kids to learn the basics of surfing, wave riding, combined with introductory lessons on surf terminology, ocean safety & awareness and wave & weather predicting. Ho Daddy O's teaches leadership skills in a fun atmosphere designed to be fitness-oriented with quality supervision. We compliment our instruction with games and education while keeping a low student-to-teacher ratio. This enables us to provide personalized coaching to match the individual needs of your young surfer. Most importantly we teach a love and respect for the ocean and beach culture.

We rank # 1 with our approach. This is no ordinary Surf Camp. We provide a complete introduction on public speaking skill sets with an emphasis of finding your own voice and advocating for yourself. No other school encompasses the coolness, quality and variety of participation than Ho Daddy O's Surf and Sport Camp!
